Fire Alarm & Emergency Communications System
Pre-recorded Audio Messages

---

1. **Evacuation Message (Fire Alarm):** *Three slow whoops...* "May I have your attention please. May I have your attention please. There is a fire emergency reported in the building. Please exit the building by the nearest exit or exit stair. Do not use the elevators."

2. **Fire Alarm Pre-Test Message:** *Three chimes...* "May I have your attention please. May I have your attention please. We will be conducting a test of the fire alarm system. Please disregard all alarms until further notice. We will notify you upon completion of the test. We apologize for any inconvenience."

3. **Fire Alarm Post-Test Message:** *Three chimes...* "May I have your attention please. May I have your attention please. The fire alarm testing is complete. Please respond accordingly to all alarms. Thank you for your cooperation.

4. **Emergency Situation All Clear Message:** *Three chimes...* "May I have your attention please. May I have your attention please. The emergency situation has been resolved. You may resume your normal activities.

5. **Emergency Communication System Pre-Test Message:** *Three chimes...* "May I have your attention please. May I have your attention please. We will be conducting a test of the building's emergency broadcast system. Please disregard all emergency announcements until further notice. We will notify you upon completion of the test. We apologize for any inconvenience."

6. **Emergency Communication System Post-Test Message:** *Three chimes...* "May I have your attention please. May I have your attention please. The building's emergency broadcast testing is complete. Please respond accordingly to all announcements. Thank you for your cooperation."

7. **Explosion Risk Message - Exit Calmly:** *Three Code 3 tones...* "May I have your attention please. May I have your attention please. There is an explosion risk reported in or around the building. For your safety, please quietly and calmly exit the building. And leave the immediate area."

8. **Emergency Situation - Use Alternate Exit:** *Three Code 3 tones...* "May I have your attention please. May I have your attention please. An emergency situation has been reported for the First Floor main lobby and front of the building. Please walk to ORANGE stairwell number TWO or GREEN stairwell number THREE and exit to the rear the building. For your safety, DO NOT approach the First Floor main lobby and the front of the building - and DO NOT use the elevators."

9. **Emergency Situation - Do Not Exit:** *Three Hi/Lo tones...* "May I have your attention please. May I have your attention please. There is an emergency situation reported in or around the building. For your safety, please stay in your current location and await further instructions. DO NOT exit the building."

10. **Music for Testing Purposes**: *One chime...* "This is a test of the Emergency Audio System." *(Music fades in...)*
